level!

Maths is boring! I don't like maths! Sound familiar?

Most kids start out loving their new found maths skills, but repetitive practise of the same types of sums & questions can be counter productive.

Go For It Maths! reinforces maths ideas by getting kids to use their knowledge and skills in lots of different ways. Playing number games, using reasoning and solving problems, students will see connections between different maths concepts and have the joy of discovering how maths and numbers work in the real world.

WHAT OUR SCHOOLS SAY ABOUT US:

“I have dealt with Julie from Lioncrest twice now and she was fantastic. Quick, efficient and always ready to help. We even received some “Lionshare” books for free which was a lovely surprise. Our first lot of resources arrived promptly and well packed. We are looking forward to the arrival of our second batch!! Thank you.” Karen P

“I’m a librarian and just did a large order with Lioncrest. Wonderful service and great helpful staff. I’ll be back.” Cheryl W

“High quality books that cater to students of all reading abilities.” Sarah J

“When remote learning was announced, we needed to ensure that we had sufficient resources to enable our children to continue to access high quality take home readers. I reached out to Lioncrest and we hit the jackpot. We were not just able to top up our resources, but were ably assisted by an exceptionally supportive consultant in Janice Barletta. Our children have directly benefited from Lioncrest’s resources and support. As a school community we are exceptionally grateful and appreciative.” Grant L

“Thanks for Lioncrest’s efficiency in completing a difficult order to ensure our books were delivered for the start of the term. The helpful and well organised staff were able to connect with us in Western Australia and help us, through our WA Rep, to complete all details.” Alison F

“Lioncrest Education provided beyond amazing customer service and speedy delivery to our school! The books we purchased were fantastic and the follow up service was second to none – 5 stars all round!” Macalie V
