

# Strip cartoons

## 1. Characters

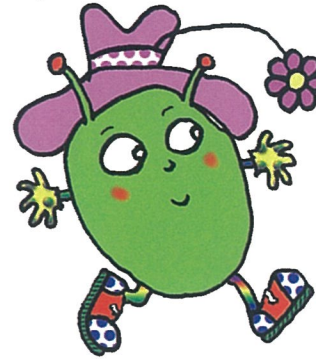

A strip cartoon is a story told using cartoons.

Start by thinking of a character of your own.

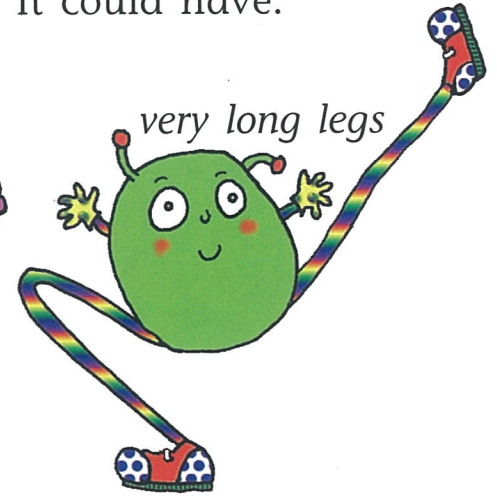

Now give your character something that makes it stand out. It could have:

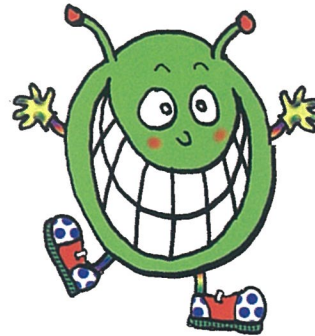

*a purple hat*

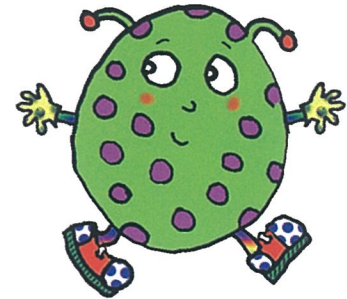

*very long legs*

*an enormous smile*

*purple spots*

Or it could have all these things.

What will you call your character?

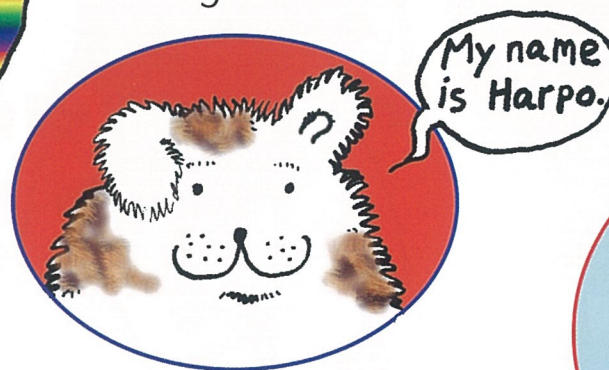

What does your character like to do?

*Bert likes acrobatics.*

*This dog likes to talk.*

*This hippo likes playing the cello.*
