Snappy Sounds is a systematic, synthetic phonics program, built by Australian and New Zealand educators, authors and speech pathologists.

It has been designed to make teaching phonics as simple and as speedy as possible for you and your class. Children will enjoy reading because the resources build confidence quickly.

AND EFFECTIVE
SYNTHETIC PHONICS
APPROACH THAT

YEAR 1 [Y2]

This program is sequenced: Snappy Sounds 1-4 for F/K [Y1] & Snappy Sounds 5-8 for Year 1 [Y2]

A wide variety of fiction and non-fiction text types. Consolidation and Revision books allowing students to practise what they have learned to date.

Back cover

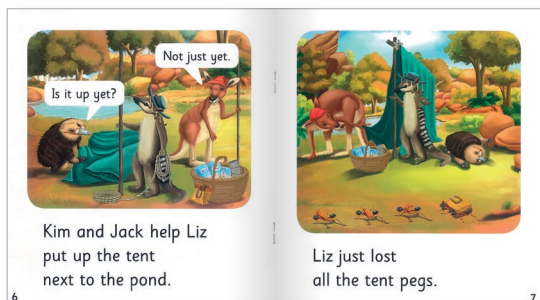

Systematic introduction
of letter-sound
correspondences.

'Fast Phonics' practice to preteach the new phonics
content in the book, before you begin to read.

Practise
decodable words.

Practise tricky, high
frequency words.

Practise letters and sounds.

The dog had a big fright
in the night.
"Is that a hump?"
said the dog.

"You might be right. It is
so high," said the frog.
"We need a big, bright
light," said the cat.

Fast phonics

Before reading this book, ask the student to practise saying the words (underline) and reading the new words (bold) in the book. Try to make it as speedy and as fun as possible.

Read the tricky high frequency words
The student can't sound out these words at the moment, but they need to know them because they are commonly used.

do friend Mr Mrs

Say the sounds

-ed (sounds like t) -ed (sounds like d) -ed (sounds like u)

ure air ear er ur

Snappy words
Point at a word randomly and have the student read the word. The student will need to sound out the word and blend the sounds to read the word. For example: t-h-e-p-e-d, helped.

helped	joined	started
finished	smelled	waited
flapped	banged	pointed
cooked	pulled	pointed
jumped	juggled	
tapped		

Quick vocabulary check
The underlined words may not be familiar to the student. Check their understanding before you start to read the book.

Vocabulary check.

Lots of repetition of the
new letters and sounds.

Tricky, high
frequency word
practise.
